Waiver and release of Liability TV Transportation

At Inner City Moving & Storage our goal is to move all your belongings efficiently and safely. This includes valuable and fragile Eletronicks and televisions. In certain circumstances , deviations from our standard procedures may be necessary and these may increase the risk of damage to your TV. This document outlines such scenarios and obtains your acknowledgment and acceptance of these risks.

Waver Conditions:

Inner City moving will not move or transport a TV without a proper TV box unless the customer initials and signs the waiver under the following scenarios:

1. The original box and/of original molded foam inserts are not available.
2. The TV box requested and supplied by ICM does not match the size of the TV

Shipper Initials _____

Functionality Verification

It is not possible to check the functionality of the TV due to circumstances such as:

1. Pick up or deliver location has no power.
2. Missing connecting hardware.
3. The customer declines permission to verify.

Shipper initials _____

Customer packed TV

1. The customer did own packing of TV.

Shipper Initials _____

2. Pre-existing Damages

ICM Movers will inspect and document any pre-existing damages to TVs. By singing below, the customer acknowledges the presence of these pre-existing damages and agrees that ICM movers will not be held responsible for these damages.

Shipper Initials _____

Customer acknowledgement and release.

By initial and singing below, I acknowledge that I understand the increased risk of damage associated with not following the standard guidelines. I agree to waive release, and discharge ICM and all its employees from any liability for any damage or loss to the TV during Transportation under the conditions described above and initiated. I assume full responsibility for all related risks.
